

Technical:

Engine 2.5L 181hp/1.6(E)Engine model (2502)
Displacement 2,500 cc (153.6)
Cylinders & Valve(s) 4 arrangement, naturally aspirated
Valve Mechanism (DOHC), 4 valves per cylinder
Compression Ratio 14
Max Torque/Power 183 Ps
Max Engine Power 150 kW @ 4000rpm
Max Torque 231 Nm @ 1,600-4,200 rpm
Fuel Grade 95-90
Electric Motor Type Permanent magnet/synchronous
Electric Motor Power 150 kW (110 HP)
Electric Motor Torque 260 Nm
System Combined Power 189 kW (258 Ps)
Drive Motors Single motor, front positioned
Transmission 8-GVT (Electrically Continuously Variable Transmission)
Drive Type Front wheel drive
Fuel Type Hybrid (Gasoline internal combustion)
Fuel Tank Capacity 45L
WLTC Combined Fuel Consumption 4.0 L/100km
Top Speed 180 km/h
Front Suspension MacPherson independent suspension
Rear Suspension Double wishbone independent suspension
Steering Assist Electric power assist
Front Brakes Ventilated disc
Rear Brakes Disc type
Parking Brake Electronic
Exterior Illumination China V6
Battery Type Temporary lithium battery
Curb Weight 1,620 kg
Gross Weight (Max Full Load) 2,100 kg
Loading Capacity 4
Seats 4

Exterior:

Aluminum Wheel Alloy Wheel 17-inch
Exterior Styling Sporty appearance (slat)
Headlights LED low beams & high beams
Daytime Running Lights LED
Adaptive High-Beam System
Automatic Headlights
Height Adjustable Headlights
Roof rack: Unpowered panoramic sunroof (fixed, non-opening)
Power Windows Front & Rear, sunroof (slat) (full vehicle)
anti-glow Rear View
Multi-Layer/tempered Glass Front and rear view
Rear Viewing Mirror
Exterior Mirrors (Electric adjustment) + electric folding
+ mirror with non-convex
Keyless Entry Front view
Keyless Start System
Remote Start Function
Central Locking
Engine Electronic Anti-Theft

Interior & Comfort:

Seat Material Mix of leather and suede
Front Seats Heated & ventilated
Driver Seat Electric adjustment + memory function
Driver Seat Lumbar Support
Front Passenger Seat Electric adjustment
Rear Seats: Proportionally folding, adjustable backrest, rear seat holders
Multimedia Center (radio, steering wheel + memory function)
Instrument Cluster 12.1-inch full LCD digital display
Head-Up Display (HUD)
Central Control Screen 12.9-inch touch LCD
Interior Surround Mirror (Automatic anti glare)
Ambient Lighting 64 colors
Automatic climate control
Cool temperature zone control
Rear AC Vents
Air Purifier with PM2.5 Filtration
Regenerative Generation
In-Car Pregnancy System
Air Quality Monitoring
Front & Rear Center Armrests
Wireless Mirror Drive + passenger, both (electronic)
Wireless Phone Charging (Front view, USB)
USB/Type-C Ports (1 Head, 2 Rear (Type C))
Speakers 8 speaker audio system
BTC Device
Apple CarPlay Support
Android Auto Support
Carlink Support
Bluetooth Car Phone
Satellite Navigation with Traffic Info Display
Voice Recognition Control
4G Network Connectivity
OTA (Over the Air) Updates
Wireless Phone Charging (1 FM)

Safety & Driver Assistance:

Airbags Driver & front passenger (front)
Front & rear side airbags
Front & rear curtain airbags
Knee airbag + head new curtain airbag
ABS with ESC/BC
Brake Assist (EBA/BAUBA)
Traction Control (VSC/TSC/TCR)
Electronic Stability Control (ESC/ESP/ESC)
Tire Pressure Monitoring System (TPMS) Display
SRSFC (Safe Seat Interface)
Seat Belt Reminder: Full vehicle
Lane Departure Warning
Lane Keeping Assist
Lane Centering
Active Braking 3 Active Safety System
Forward Collision Warning
Rear Cross-Traffic Warning
Low Speed Driving Warning
Door Opening Warning (DOOB)
Front & Rear Parking Sensors
360 Degree Panoramic Camera
Transparency Chassis 360 Degree Imaging
Forward Motionless Perception Control
8 Ultrasonic Sensors, 3 Millimeter Wave Radar
Full Speed Adaptive Cruise Control
Traffic Safety Sensor (2 Sensor Assistance)
Automatic Parking
Uphill Assist
Hill Start Assist
Roadside Assistance Call Function
Road Traffic Sign Recognition

Toyota Camry 2026 Hybrid 2.5HXS Sport Plus Edition
